

Can I make a difference in the lives of people?

Anthem Care is a unique, integrated care community providing all levels of care, both private and subsidised in modern, functional, and comfortable surroundings in Bowral in the beautiful Southern Highlands

At Anthem Care, we actively subscribe to a set of core values. They underpin the way in which we conduct our business, shaping our culture and defining our character. They are – **Integrity, Respect, Teamwork, Care, Consistency.**

We are currently inviting applications from:

Registered Nurses: Full time/part time

1st Graduate Program Registered Nurses: Full time/part time

Anthem Care has developed an innovative model of care and are inviting RN's who are passionate about clinical excellence and aged care to join our team.

Our Registered Nurses are an integral part of Anthem Care's high quality care team who provide supervision, leadership and role modelling.

Our Registered nurses are well supported by our senior RN team, and are nurtured and encouraged through coaching and professional development, offering an integrated graduate program designed around aged care, as well as opportunities to become aged care nursing specialists.

Selection Criteria

The successful candidate will have:

- Experience working within an aged care/acute aged care or similar environment
- Empathy, compassion and respect for our elderly residents
- Current AHPRA registration; post graduate qualifications in aged care an advantage
- An understanding of the important factors facing nursing issues in Aged Care currently and into the future
- Flexibility working shifts across all areas of Anthem Care, including High Care, Dementia Specific and Respite
- Highly developed oral and written communication skills with the ability to foster effective relationships with staff, residents, family members and external service providers
- High level organisational and time management skills within a supportive team framework
- Reliability and commitment to our organisation
- Ability to work effectively within a multidisciplinary team
- Computer literacy with Microsoft Office suite
- Excellent clinical documentation skills
- Experience in aged care assessments an advantage
- Minimum one year experience.

To be considered for these opportunities the applicant shall provide, using the downloadable application form from the website, www.anthemcare.com.au, the following information:

- Cover Letter
- Resume detailing previous experience and qualifications

Anthem Care is an Equal Employment Opportunity Employer (EEO).
